

# BOARD HAPPENINGS

April 15, 2014

## APRIL 15<sup>th</sup> BOARD MEETING

It was a routine Board meeting. The Board approved: the Application and Receipt of Funds for **HEHS** Band Instruments/Equipment/Repairs; the Purchase of a Cisco Blade from Network Solutions Inc.; several change orders for the **Woodlan K-12** Project, and one for **NHHS** Softball Field; a contract for an EL Consultant; an elevator contract for **NHHS/NHMS**; and the Application and Participation in the IDOE's SY14/15 Diagnostic Assessment Tools Program.

## RECOGNITIONS

**East Allen Alternative School** LINX students were recognized for helping with the Salvation Army's Angel Tree initiative during the months of October, November, and December 2013. They assisted with cleaning the distribution center, along with the setup, organizing, sorting, distributing, and re-packing of thousands of gift donations for families. They assembled 500+ boxes for families. After the distribution of the boxes of food and gifts, the students worked to break down all that they initially put together! It was a massive undertaking and the students did a great job. Students included: **Josh Faor, Chris Ford, Cody Immroth, Harley Rowbotham, Carla Rowland, Thomas Spillers, Alan Terry, and Anita Vardaman**. The Salvation Army staff recognized the students for their efforts at its annual banquet in April. Teacher **Scott Welch** oversaw this project. **Jeff Kline** is the principal of the **Alternative School**. Thanks for making a difference. You make us proud!

## PERSONNEL

### ~ Welcome New Hires~

- Cameron Brooks, para, PHJH
- Ah Dee, bilingual support, HEHS
- Lia DeRose, para, HEHS
- Tammie Kaiser, para, PCA
- Wendy Mickelson, cafeteria monitor, CEEL
- Carolyn Richmond, para, NHIS
