The image shows a screenshot of the Apple ID verification process. On the left, a grey sidebar contains the text "My Apple ID" and "Verify your email address. Please verify the email address associated with your Apple ID." The main content area is titled "Sign in to verify your email address." and contains the text "To verify the email address **catpebble45@gmail.com**, please sign in with your Apple ID and password." Below this text are two input fields: the first contains "catpebble45@gmai.com" and the second contains ".....". Below the first field is a link "Forgot your Apple ID?" and below the second is a link "Forgot your password?". At the bottom of the main content area is a blue button labeled "Verify Address". To the right of the screenshot, there are two annotations: "Type Apple ID & Password" with an arrow pointing to the input fields, and "Click on Verify Address" with an arrow pointing to the "Verify Address" button. A red box highlights the input fields, and a red oval highlights the "Verify Address" button.
